

YOAV TZIPORI

Cyber Security Analyst

I am a certified ethical hacker (CEH) with a passion for cybersecurity.

With experience in ethical hacking, I have completed over 500 hours of hands-on courses and obtained numerous certificates.

Proficient in both Red Team and Blue Team methodologies, with a focus on developing and utilizing bespoke tools.

showcasing my proficiency in hacking, vulnerability assessment,

web penetration testing, mobile security, and other aspects of the field.

I have completed full combat military service in the Egoz unit of the Israeli Defense Forces (IDF).
